## PROFESSIONAL EXPERIENCE

---

### **GORDON MELUN MATON LLC.** | 2016 to *CURRENT*

*Non-Equity Partner.* Represent plaintiffs, criminal defense clients, and maintain a transactional practice. Clients appreciate my practical, common-sense counsel approach.

- Represent businesses and individual clients from initial intake, deposition, mediation & arbitration, settlement, trial, and appeals.
- Defend individuals charged with felony and misdemeanor offenses through initial arraignment, pleas, to trial.
- Advised business clients on entity formation, governance, and dissolution. Negotiate and interpret contracts, licensing, trademark, complex technology, and SaaS agreements. Resolve contractual issues, developed contracts, terms of use, and privacy agreements.
- Developed the Firm's Family Law practice. Created the marketing and business development plan. I represent individuals in domestic disputes, including divorce, pre- and post-nuptial agreements, equitable distribution, alimony, child support, and parenting agreements.

### **MILLER COHEN PETERSON YOUNG, P.C.** | 2016 to 2016

*Litigation Associate.* Responsible for maintaining cases from pre-suit to judgement in a high volume commercial litigation firm dedicated to areas of business and commercial law, civil litigation, collections, creditors' rights, construction law, foreign judgments and judgment enforcement.

- Responsible for managing cases from intake to judgement. Case management and litigation of high balance collection accounts in both District and County Court.
- Negotiated with defendants to settle matters for an efficient and expedient disposition. Mediations, Returns, Hearings, conferences, and Trial work.

### **WYOMING SURVEY AND ANALYSIS CENTER** | 2009 to 2016

*Research Scientist.* I was the deputy I.T. Director of WYSAC. A non-profit, non-partisan research organization providing customized research services such as information technology services, applied social research, scientific polling, and rigorous program evaluation, on policy issues for both public and private clients. We had clients throughout Wyoming and other states.

- Negotiated terms of service, software, hardware and licensing agreements. Drafted center's HIPAA/ HITECH-compliance and privacy policies. Served as the Center's primary liaison with the University's General Counsel.
- Developed the Wyoming Drug Court Supervised Treatment Information Management System (WyCST), an online software application designed to assist drug courts manage data, workflow, and generate comprehensive reports for state-level oversight. Received a 2011 SAC Innovation Award from the Justice Research and Statistics Association (JRSA).
- Prepared complex RFPs, reviewed and selected bids.

### **FLORIDA CENTER FOR READING RESEARCH (FCRR)** | 2002 to 2009

*Assistant in Research and Technology.* Reported to the Director of Assessment for multidisciplinary research center focused on child literacy and early development for pre-K through 12th grade children, operating in a politically charged atmosphere subject to government, media, and public scrutiny.

- Managed technology-side compliance with Family Educational Rights and Privacy Act (FRPA).
- Advised on IP-related matters, such as domain name disputes, licensing issues, copyright infringement under Digital Millennium Copyright Act (DMCA), registration of domain names,

and compliance with all other licensing and IP requirements. Served as technology liaison with University Counsel.

- Helped develop benchmarks and tests, and training materials for the Federal *No Child Left Behind* act and the *Reading First! Florida* state initiative.
- Led design and creation of user-facing website and desktop applications. Maintained Center's computer and mobile device network, secured firewalls and software installations. Provided network and web support. Designed data retention system with back-ups and redundancies.
